

Sierra Club Canada presents:

FRANKE JAMES GREEN CONSCIENCE ART WORKSHOP

Artist Franke James will show you how to create unique and meaningful art using her *Six Tools for Climate Change Art*. If you can't draw a straight line, don't worry. Art (and activism) is NOT about straight lines. It's about getting ideas out!

SIX TOOLS FOR CLIMATE CHANGE ART

"Franke James' work is honest, powerful and funny... Not to be missed by anyone interested in climate change or the future of Canada!"

Tzeporah Berman, Greenpeace

"Franke James is among the tiny handful of really powerful and profound artists who have taken on climate change... Her work is incredibly important"

Bill McKibben, 350.org

TUESDAY NOVEMBER 1, 2011, 9:30AM-12:30PM. SUITE 1502, 1 NICHOLAS STREET, OTTAWA
